HERSCHELL L. HAMILTON, MD MEMORIAL SCHOLARSHIP

DISTINGUISHED ALUMNI OF FAMU AND OUTSTANDING
CITIZEN OF BIRMINGHAM

Dr. Herschell Hamilton graduated from Florida A&M University with a bachelor's degree in biology in 1949 and received his Medical Degree in 1954 from Meharry Medical College in Nashville. His training would prepare him for an integral role in the Civil Rights Movement.

Dr. Hamilton came to Birmingham in 1958 as the first African American Board Certified General Surgeon.

He provided free medical services to sick or injured civil rights activists during the 1960s. As a result, he was affectionately nicknamed the "Battle Surgeon" or "Dog Bite Doctor."

He practiced medicine for over 40 years and received many accolades, including the 2002 Distinguished Alumni Award from the Birmingham Metro Chapter of the FAMU National Alumni Association. Dr. Hamilton passed away in 2003, leaving a remarkable legacy and lasting impression on the Birmingham Metro Chapter.

Now in our fourth year, the proceeds from the tournament help support a memorial scholarship in Dr. Hamilton's honor. The fund continues to further the goals of the alumni chapter, which awards annual scholarships to Birmingham area college students matriculating at Florida A&M University.
