*“I can believe anything, provided that it is incredible!”  
- Oscar Wilde*

On behalf of the Florida Agricultural and Mechanical University Student Government Association and Student Body, we would like to introduce you to a movement that will forever change the course of FAMU history. It is a movement deeply rooted in the *belief* that each and every one of us is responsible for the success of our beloved institution. Therefore, when asked about our commitment and dedication to the University, we can simply say *“I Believe in FAMU.”*

What makes the *“I Believe in FAMU”* campaign so dynamic is that it was developed and launched by FAMU students to become the premier brand for institutional pride and promote student, alumni, and stakeholder support of the University. The *“I Believe in FAMU”* campaign is especially relevant to each of us.

Proceed from the sales of the *“I Believe in FAMU”* tee shirt will go towards providing scholarships for FAMU students and to promote school spirit. We thank you in advance for contributions.
